

We believe value is in the creation of a research community for qualified investigators and trial sites.

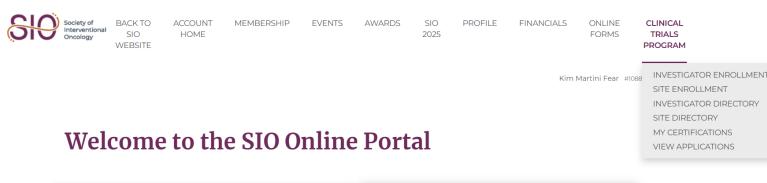

The Clinical Trial Collaborative Basic Principal Investigator online course is a FREE training course. We encourage you to enroll whether you are a Member or a Non-Member of the SIO, and if you represent from multidisciplinary specialties. The training is not specific to Interventional Oncology, rather to competencies needed to be a Principal Investigator.

There is no charge for enrollment into the Directory as a Principal Investigator or Sub Investigator and we accept all. There is also no charge to enroll an Institution. Currently, we only accept US and Canadian sites for enrollment.

SIO requires a brief [log in process](#) with completed profile information to access the enrollment forms or the online course. Please follow the directions and screenshots listed below, and reach out to info@sio-central.org for assistance if needed.

Society of Interventional Oncology (SIO) login

- To access the Clinical Trial Collaborative enrollment forms, we ask for SIO members to log into their membership account. From there navigate to the Clinical Trials Program and use the dropdown for selection. (see the next screenshot)

- If you are not a current SIO Member, we welcome you to create a FREE Non-Member Guest account FREE. Select [here](#) to create the account and complete the brief profile. Profile information will pull into the Investigator application. Once complete, navigate the Clinical Trials Program and use the dropdown for selection. (see the above screenshot)

Investigator Enrollment Form

General Information

First Name

General Information- The information will be pulled from your SIO Membership profile.

- Please review and correct any inputs if needed.
- Please ensure your Organization and Job Title from your membership profile are correctly input when starting the Investigator application.
- Please ensure that the box to Link to your Organization's Main Address is checked.
- Save Changes to move on to the Investigator Enrollment Application

Basic Principal Investigator Online Course

Society of Interventional Oncology (SIO) login

- To access the Clinical Trial Collaborative online course, we ask for SIO members to log into their membership account. From the Portal, select the **Learning Center** then select the **Courses & Master Classes** tab

The screenshot shows the SIO member portal interface. On the left, a profile card for 'Kim Martini Fear' is displayed, including a photo, title ('Society of Interventional Oncology / Director of Education and Grants'), email ('Kmartinifear@smithbucklin.com'), address ('2001 K Street Northwest 3rd Floor Washington, DC 20006'), and phone number ('(847) 508-5124'). Below this, membership details are shown: 'Membership Type: Staff Staff Membership', 'Membership Status: Active', 'Joined: 8/1/23 (2 years ago)', and 'Expiration: -'. On the right, a vertical menu is visible with the following options: 'Membership', 'Chapters and Sections', 'Event Registration', 'Financial', and 'Learning Center'. The 'Learning Center' option is highlighted.

- If you are not a current SIO Member, we welcome you to create a FREE Non-Member Guest account. Select [here](#) to create the account and complete the brief profile. Profile information will pull into the Investigator application. Once complete, from the Portal, select **the Learning Center** then **Courses & Master Classes tab**, select **the Clinical Trial Collaborative**

The screenshot shows the SIO Learning Center interface. The main title 'On-demand education' is displayed in large purple text, with the subtitle 'for every stage of your career in Interventional Oncology' in smaller text below it. On the right, there are two orange buttons: 'Getting Started →' and 'My Dashboard →'. At the bottom, five circular icons represent different course categories: 'Bundles' (document icon), 'Early Career & IO Essentials' (lightbulb icon), 'Webinars' (play button icon), 'Courses & Master Classes' (book icon), and 'Upcoming Events' (calendar icon). Below these icons, the text 'Register for the Clinical Trial collaborative Principal Investigator Course' is displayed.

Courses and Master classes
